WELCOME WORDS Alexandria Gazette. TO WOMEN.

WOMEN.

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive fr. 3 the advice of a physician of over forty year's experience—a skilic, and successful specialist in the diseases of women. Every letter has the most careful consideration and is regarded at sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment cures in the privacy of your home. His "Favorite Prescription" has cured hundreds of thousands of bad cases. It is the only medicine of its kind that is the product of a regularly graduated physician. Some unscrupulous medicine dealers may offer you a substitute. Don't take it, Don't trifle with your health. Write to Dr. R. V. Pierce, Huffalo, N. Y. —take his advice and be well.

If you eat a little too much, or if you are subject to attacks of Indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand — swell, and puff up against the heart. This crowds the heart and inter-feres with its action, and in the course of time the heart becomes diseased.

Goodloe's. Perfection

Why be annoyed by mosquitos and flies when it can be prevented by a

very small expense and no trouble? We call special attention to the fact that the "Perfection" 5-coil canopy springs have been THOROUGHLY TESTED in tension, section, power and endurance, and found that they will lift any grade new net to a perpendicular position against the head board, and will also underto a perpendicular position against the head board, and will also undergo the strain of being fastened down, day and night, continuously for many months without showing signs of weakness, when properly adjusted. They are small in diameter; noiseless in operation; look neat and pretty; are not clumsy nor in the way; are strong and durable, and the most perfect canopy springs ever put on the American market.

Made in all sizes and can be adjusted to either metal ar wood beds.

Have us put one up for you, and after one week's trial if not entirely satisfactory we will take it down and refund your money.

Grave Trouble Foreseen.

It needs but little foresight, to tell, that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A.
